

Religious Education

Manage your entire faith formation program and let members register online for classes from any computer or mobile device.

Must-have tools that every parish's faith formation ministry needs to grow.

Keep your Catholic educational ministry organized with the web-based program that tracks all the administrative details efficiently — so you can spend more time on people, programs, and ministry!

ParishSOFT Religious Education streamlines the way you organize and manage your entire program. From classes and schedules for all ages to meeting locations, leaders, and attendance, ParishSOFT tracks every detail. Our built-in calendar of all national and religious holidays makes it easy to organize meeting dates and times and build schedules with ease and confidence.

The system “talks to” the same family and member records your parish manages in the ParishSOFT Family Directory and provides integrated communication tools to help you keep everybody in-the-know and, most importantly, ensure that every child receives Catholic education and sacramental preparation.

Whether you need to see a broad dashboard view of your entire program or quickly look up the special needs of a particular child, ParishSOFT delivers accurate information quickly. Quick Reports and dashboard-level search, filter, and export capabilities make fast work of getting exactly the information you need.
