

Online Giving

Flexible and paperless ways for your parishioners to contribute to your annual appeals, offertory, special collections, and more.

Easily update your ParishSOFT Offering and Pledges program with online giving.

There's no faster way for your members to give than with online and text giving. With no setup fee and starting at \$0 a month with no contracts, it's an incredible value and a perfect addition to your giving platform. ParishSOFT Giving provides more ways to connect your church than ever before. Members can give one-time or setup recurring giving, and see giving history through the secure ParishSOFT interface.

Online forms are available to track registration for classes and events for easier registration and payment tracking. Plus, ParishSOFT integration automatically posts contributions to ParishSOFT Offering and Pledges, giving you one place to see all the contributions for your donors.

ParishSOFT Giving includes access to giving kiosks, which are popular with first-time donors and a mobile app for Android and Mac devices. Easy and intuitive, members do not need to carry cash for giving, and the tablets are placed onsite at convenient locations.

Bridge the Stewardship Gap

- Scheduled, recurring transactions are automated deposits and predictable income you can count on
- Give toward pledges, special collections, offertory, even capital campaigns, all from one place
- Ideal for those who don't write checks or carry cash and those who prefer to give online
- Electronic deposits are available right away, improving cashflow
- Immediate payback with no special hardware or software and no complicated setup
- Simply event registration and payment tracking

Reduce Staff Workload

- No paper forms or checks required
- Self-service system puts members in charge of their personal online contributions—it even sends them email confirmations and expiring credit card notifications
- End-of-year contribution reports and giving histories are always available online
- Intuitive interface lets church staff make any funds available for online giving
